**Prayer Corner**

Give Thanks for He is good! We thank our great God and all of you for your help and generosity during our recent Sharathon. Many of you were so much help and encouragement. We thank God for you. Please continue to pray for God to sustain and grow His ministry here at The Cornerstone. We also want to ask you to pray for the upcoming work involved in Operation Bigfoot, the power increase on 90.3

WJLH. Operation Bigfoot was delayed due to President Obama's decision to extend the deadline for the digital TV conversion. We will not be able to purchase our antenna until we know the channel 6 analog is off the air. It is still our plan to have Bigfoot on the air by late summer, God willing and the creek don't rise.

*Luke 24:6,7*  
*'He is not here, but is risen! Remember how He spoke to you when He was still in Galilee, saying, 'The Son of Man must be delivered into the hands of sinful men, and be crucified, and the third day rise again.'*

## Back In Business by Bill Powell

We are slowly getting back to normal here and on with fulfilling the goals we have set for ourselves but have to admit, it is like getting back home from a family reunion. We're excited to get back but we miss seeing everyone and the good times we had. I was talking to Edie and Carla the last morning of Sharathon and I said, "You know, the most difficult task of Sharathon is properly thanking everyone." It is a daunting task because so many gave their time, talent or treasure. Some, as I like to affectionately say, are paid staff and by that I mean they pay to work here.

and are very grateful. We were short of where we needed to be but the Lord works in mysterious ways, His wonders to behold. We finished at \$120,137 but with a twist. A faithful partner for many years donated a motor home that we can sell. It is his hope and ours that we can get enough to make up the difference for Bigfoot and improve our Sharathon totals. You can visit our website for details concerning the motor home or you can give me a call here at the studios. We could use your help in getting the word out to help us sell it.

We all share a common passion, Jesus. I know we are all working together so others can have the love, joy and peace we have in knowing Him and the truth we receive through the Bible. It is my heart's desire that when the Lord chooses to take me home, He will allow me to work to help prepare a place for all who will follow.

Thank you all. No kind word, effort, prayer or gift is unappreciated by all of us here and I'm confident that you will receive treasures in heaven for your effort.

We have a job to do now and count it a pleasure to do what we do and are so happy to have you as part of The Cornerstone family.

Many ask how we did, referring to Sharathon and I am compelled to say we received what the Lord wanted us to have
