and commission. In doing what we are called to do, we change our own world and impact the world around us.

A listener recently wrote: *God has worked miracles in my life and with the commute to work. Your station keeps me focused and prepares me to face the day and whatever it may hold! While my financial situation is only a fraction of what I had in the past, I feel richer and more blessed than ever before and am happy to finally be able to share some of what I have earned. Thank you Cornerstone for being an important part of my commute and my life.*

We hope The Cornerstone is impacting your life for Christ and that you will see the need for this ministry not only for yourself but for those who don't currently know Jesus Christ, the only Savior of the world. To continue ministering through

The Cornerstone, we need your financial support. We set aside four days each year (March 23rd-26th) to suspend our regular programming and ask our listeners to partner with us financially so we can continue to plant and water, expecting a harvest of souls as the Lord uses this ministry for His purposes. Pray for us and pray the Lord will lead you to give. Spread the word and if you have some spare time why not come and join us by volunteering to answer the phones? I promise it will be fun and rewarding. Oh! We hope to see you at the Nicol Sponberg concert we put together just for you; it's our way of saying "thanks."

**Music with a Message by Chris Johnson**

**W**hen people think of radio they think of music! Here at The Cornerstone it is our joy to provide not only music but music with a gospel centered message. Additionally we provide the best in Bible teaching from nationally-known preachers like John MacArthur, Alistair Begg, R.C. Sproul, David Jeremiah and many

more. Many ask why we provide this type of programming. Our answer is simple. This is more than a radio station; it's a ministry! By that, we mean that our deepest desire is to provide you the listener, every opportunity to grow in the grace and knowledge of Jesus Christ and we use the avenues of music and teaching to touch

your heart. We care for your soul and this ministry is dedicated to reaching out to Volusia, Flagler and St. Johns counties with the only life changing message, the Gospel of Jesus Christ! Believe it or not, this sets The Cornerstone apart from many radio stations. If it is to continue being a lighthouse of hope in your community we need your help. Please take some time this month to gather your family together and prayerfully consider how you can financially partner with The Cornerstone. We are listener supported and know that if we are to be successful for the glory of God and the furtherance of the Gospel it will be because of you. Your prayers, volunteering and financial contributions are vital and we thank you for your help We are committed to using every technology available in 2011 to **Keep Changing the World**. Won't you join us!

**Keep Changing the World by Bill Powell**

**K**ee**p Changing the World** is our Sharathon theme this year so please allow me to explain. Jesus said He is not of this world and we are not of the world. *John 15:19 (NKJV) states "If you were of the world, the world would love its own. Yet because you are not of the world, but I chose you out of the world, therefore the world hates you."* We are, however, in the world and we are the lights of the world. *Matthew 5:14 (NKJV) "You are the light of the world. A city that is set on a hill*

*cannot be hidden.*<sup>15</sup> "Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all [who are] in the house."<sup>16</sup> "Let your light so shine before men, that they may see your good works and glorify your Father in heaven."

In letting our lights shine by our good works and pointing the people of the world to the light which is Christ through the Biblical teaching and music of The Cornerstone, we are performing the only worthwhile way to change the world. Technically, we won't "change" the world but prayerfully impact those in the world to turn to Christ. As Christians, this is our responsibility

## Taken for Granted by Edie Schmidt

Recently, I took a trip back to the mountains. Let me just say, they were not as I had remembered them. In my youth, the mountains were suffocating. The sky had appeared so small and the opportunities so few. I had longed for wide open spaces. What a difference a couple of decades make! As the highway wound through and among these majestic elevations, I saw them like never before, protective, comforting, welcoming; I was home. I wondered how I could have taken something so wonderful for granted. Too often, that which is faithfully consistent is easily taken for granted. Sometimes it's a place. Sometimes it's a person and occasionally it's a ministry. By now most of us can point to an empty building that once housed a church or Christian outreach. The Cornerstone, as most of you know is a non-commercial broadcast ministry whose growth and

stability depend upon God's provisions through His people. Twenty-four hours a day, seven days a week, three hundred and sixty-five days a year The Cornerstone's AM and FM stations fill the airwaves with Bible teaching programs and music with a message. In a few weeks we will begin Sharathon 2011. If you usually stop reading here, let me challenge you to continue and consider the impact of taking Christian radio for granted. Whether it will be around for future generations will rely on our actions in the present. Will we embrace our practical roles in ensuring its future or will we take it for granted and casually assume someone else will meet the needs? Perceptions and attitudes change over time. I wasn't always aware of the need for Christian radio in my life. Fortunately, people who understood its value and importance secured its future so that in my time of need, it was there for me. Let's all work together to do the same for others. Listener by listener, let's **Keep Changing the World!**

## Prayer Corner

The importance of prayer for and during Sharathon is often underestimated. In years past the prayer room was continually occupied by God's precious people whose hearts had been burdened to pray for The Cornerstone ministry during these crucial days. It was encouraging to know that while the staff was on the air asking listeners to call in their pledges of support, prayer warriors were in the other room interceding on our behalf. If you would be willing to pray during Sharathon, either here in our prayer room or at your own location, please let us know. You will certainly be a blessing to us!

## Program Change

Crown Financial Ministries will cease producing "Money Life," normally heard on our FM stations 9:30 p.m. and on our AM station at 3:30 p.m. Please enjoy "Truth for Life" with Alistair Begg now at 9:30 p.m. on our FM stations. On our AM station, enjoy "Point of View" in its entirety.

## Prayer & Support Projects by Joshua Jones

Sharathon is a time when you can help the radio station with your prayers and financial support. When many people hear the word "Sharathon," they think of fundraising. However, this is only a small part of the many things that go on during Sharathon. It is a time for prayer, thanksgiving and most of all encouragement. It is also a good time for fellowship among believers. During the year we work very hard to ensure that our broadcasting is biblical. Usually while Sharathon is going on we hear lots of uplifting comments from our listeners about our teaching programs and music. This really blesses us and encourages our team to keep doing the Lord's work. Your next question is probably "What can I do to help The Cornerstone?" The three biggest things you can do to help The Cornerstone continue to be a light

in your community is to pray, volunteer and pledge. Prayer is the most important because without prayer and the Lord's hand on the ministry, we have no ministry. Many people regularly volunteer and many of you will volunteer for the first time this year. Pledging is basically setting aside an amount to give to The Cornerstone. No one hassles you to pay your pledge. It is between you and God only. By pledging you help The Cornerstone to meet its needs and maintain what we are already accomplishing. From time to time we can even upgrade our equipment to better serve the community based on what we receive. A couple years ago we had a big power increase that helped boost our 90.3 signal even further. This couldn't have been possible without our loyal supporters and donors. Help The Cornerstone stay strong in your community; why not pre-pledge today? Help us **Keep Changing the World!**

## Listener Comments:

*"I am grateful for your ministry and your faithfulness to proclaim the truth of God's word, the only hope we have. I pray for you."*
